PRINCIPAL'S MESSAGE

Mr. Stone, Principal

It has been a pleasure for me to serve as your principal this past year. Each day has been filled with new and exciting progress.

New schools create many problems, but with your cooperation we "weathered" them together.

Many of us have lived in different states, and in different countries throughout the world. This fact, I believe, has made our school a most interesting one since we have been able to share our many experiences with a more wholesome respect for one another.

All the staff joins me in wishing all of you a pleasant summer vacation, and success in your future endeavors.

*Chester D. Stone*

Students:

This yearbook represents our first year of working together as a team at Willis Jepson. May this JAGUAR serve throughout the years to bring back all the pleasant memories we have shared.
